

South Central Family Health Center

- Title X Agency
- LA Best Babies Network Partner
- Federally Qualified Health Care Center
- Provides Comprehensive Health Care to all in South Los Angeles

Case Manager Role

- Trained in case management
- Certified Family Planning Health Worker

- Manages 30 *family* caseload
- Provides culturally sensitive services

Stories from the Field

- Family Planning is what????
- Nutrition education needs to come from a culturally appropriate place

Successes

- For 2009, only 1 of 30 women in the caseload who came to the clinic for post partum care subsequently got pregnant in the following year.
- 29 women are actively on a family planning method, some chose sterilization.

Thank you!!!

Olga Albarca
